Hospitality: Barista- Coffee Service

Ph +64-9-379 5700

Hospitality

Barista - Coffee Service

NTec BARISTA – The key ingredient in any successful café or restaurant. Make sure you have the right training.

At NTec you can learn everything you need to know– how to make espresso beverages, understanding the importance of quality, preparing and cleaning equipment, coffee heritage, correct techniques and how to serve them. We will make sure you learn the best possible skills.

The hospitality industry is one of the fastest growing areas of our economy. Hotels, specialty accommodation, bars, cafes, restaurants – they are all keen to employ good service people who are looking to make a career out of working, managing or owning a successful hospitality business.

*Southern
Café*
